## Storage

Must be stored in dry, dark and moisture-free places.

Suitable for ■ **Cows** ■ **Goats**  
■ **Calves** ■ **Sheeps** ■ **Lamps**

## LICKING BLOCK

### FEED SUPPLEMENT

### Vitamins-Minerals

### For Protein augmentation

• **PROTEIN BLOCK** is a rich feed supplement of vitamins and minerals. It covers the nutritional needs of productive animals, contributes dramatically to their empowerment, to dairy production augmentation and to their immune system improvement. It also helps in increasing growth and improving daily general animal health. With its constant use by the animals, the intake of protein from their body is increased.
