LICKING BLOCK

FEED SUPPLEMENT

Vitamins-Minerals with addition of MOLASSES

- **VITAMEL block** is a full feed supplement rich in minerals, vitamins and molasses. Combined with molasses beneficial properties, this block gives energy boost to milk productive animals. It also provides all the components that lack from the animal's diet, offering a significant reinforcement to their immune system. Furthermore, it helps to milk production augmentation, to the maintenance of healthy digestion, lowers fatigue levels and offers to the vitality and richness of goat's and sheep's hair.
