# Soda Plus Magnesium

## Feed Supplement

## Sodium Plus Magnesium

### Package

500gr, 1kg -10kg

### Composition %

Sodium	25%
Magnesium	3%
Yeast	2%

### Indications

*Soda Plus Magnesium* is a feed supplement with soda that helps to digest "difficult" cereal feeds. It works in the stomach of the horse, relieving the stomach-burn, aiding in the absorption of nutrients from the intestinal wall and activating enzymes necessary for the metabolism of carbohydrates and amino acids leading to protein formation. The magnesium that it contains, reduces the pains of indigestion and contributes to the animal's general calmness.

### Daily Dosage

Activity	Small Horses (<450kg)	Large Horses (>450kg)
Maintenance	30g	50g
Foals	10g	15g
Pregnant mares	45g	70g
